

Chauffeur Driven Terms and Conditions

All bookings are subject to our terms and conditions.

Failure to read or understand them does not absolve our right to enforce them

Booking a Car

The hire period of a chauffeur driven vehicle commences upon said vehicle departing the Hooters showroom and continues until it has returned, unless otherwise agreed.

Hiring a Chauffeur Driven Vehicle

The person making the booking is considered to be the hirer and accepts all responsibility for the actions of the party members. We reserve the right to terminate a hire for unruly and or abusive behaviour, thus forfeiting all and any deposits and fees paid.

Only the number of passengers, for which the vehicle has been licensed for, will be carried in any circumstance.

Damage to our vehicles interior or exterior and any accessories, caused by the hirer or any member of their party will be charged to the hirer at the cost required to rectify such incidence.

Difficult stains caused by spillage or sickness during the hire period become the sole responsibility of the hirer. Any additional cleaning cost will be charged to the hirer.

Any personal effects left in our vehicles during the hire period are the sole responsibility of the hirer.

Payment

Once you have decided on which Vehicle/Vehicles are required and the time and date are finalized, a quotation will be issued. A \$100.00 per vehicle non-refundable deposit then becomes due, a booking is not confirmed until the full deposit has been received.

The balance due is to be paid no later than 30 days before the scheduled booking.

Cancellation

Cancellation made at any time up to 10 days before the date of hire will incur the forfeiture of all deposit monies and a refund of any final payments that had been made. Any cancellation made within 72 hours of the booking will result in the complete forfeiture of all monies paid.

Over Time

The hirer expressly agrees to pay immediately by way of cash payment to the driver for any extended time periods over the initial requested time, charged in thirty minute intervals based on the hourly rate already quoted at the time of booking. Over time is not always available so consider carefully how long you want the vehicle for. Should your vehicle not be able to accommodate extended time the driver will advise and shall depart at the time required to fulfil any other commitments that may be in place.
